

Harbor District Business Improvement District Property Improvement Grant Application

The Harbor District Business Improvement District (BID 51) Property Improvement Grant program provides reimbursable grants up to a maximum amount of \$5,000. Grant funds are intended for property or business owners intending to improve the physical appearance of their property and/or make water-centric improvements to their property. Please refer to the “Harbor District BID Property Improvement Grant Program Guidelines” for further details on the program. When complete email to dan@harbordistrict.org or mail to the address at the bottom.
